**E. DEAN'S celebrated Chemical
 Plaster.**
 FOR Rheumatism, Excoriation, Warts, Swellings,
 Inflammation in the eye, Burns, Swelled
 Throat in Scarlet Fever, Quinsy, &c.
 TO THE PUBLIC.
 To whom it may concern.—This may certify,
 that I, E. DEAN, the proprietor of E.
 Dean's Chemical Plaster, have for more than two
 years been in a delicate state of health, so that I
 have been unable to prepare and circulate said
 plaster to that extent which the interest of the
 suffering community demands; and feeling that
 so valuable an article ought to be made known to
 the afflicted, I have made arrangements with H.
 Harris & Co., of Ashtabula, Ohio, to manufacture
 and vend it in my name as my sole successors.
 This, therefore, may be relied on as the genuine
 article heretofore prepared by me. As witness my
 hand.
 ERASTUS DEAN.
 Westfield, Chautauque co., N. Y., Jan. 1, 1839

The Chemical Plaster is an important remedy
 to all those who are afflicted with inflammatory
 complaints by its easing pain, counteracting in-
 flammation, and giving speedy relief, by its active,
 strengthening and sudorific properties. An ef-
 fectual remedy for inflammatory rheumatism, ague
 in the breast, cramp, burns, bruises, scrofula, old
 sores, ulcers of almost every description, cankered
 and swelled throat arising from scarlet fever, fel-
 lows, white swellings, chilblains, &c.—Persons
 suffering from liver complaints, pulmonary dis-
 eases, inflammation of the lungs, with pains in the
 side and breast, pain and weakness in the back,
 will find relief. In all cases it may be used with
 safety.
 The Plaster is now put up in boxes at 50
 cents and 1 dollar each.
 Made and sold, wholesale and retail, by H.
 Harris & Co., Ashtabula, Ohio, sole proprie-
 tors.—None genuine unless signed by H. Harris
 on the wrapper.

TESTIMONIALS.
 PENN LINE, Pa., April 7.
 Messrs. Harris & Co.—Sirs: Since I was at
 your store in July last, I have used E. Dean's
 Chemical Plaster, which I have received from
 you at different times, and feel myself in duty
 bound to you as proprietors, and to the public
 generally, to recommend the same as a safe and
 efficacious remedy for those complaints for which
 it is recommended. I have used it in several cases
 of inflamed eyes, in some of which its effects as a
 curative have been decided, and in no case has it
 failed of giving relief where it has been applied
 according to directions, and all who have used it
 are perfectly satisfied with it so far as I know.
 I have also applied it in some severe cases of ague
 in the breast with the happiest effects.
 I would also relate the case of Mr. Thomas
 Logan, who has been afflicted with the rheuma-
 tism in one hip for thirteen years, so that he had
 been compelled to shamble along in a great mea-
 sure. I let him have a box of the Plaster, he
 applied it, and for three days found, as he sup-
 posed, no benefit, but after that he perceived that
 the pain was not so severe, and in less than two
 weeks he could labor hard all day and rest free
 from pain at night. He says he would not part
 with the box he has for three hundred dollars,
 providing he could not obtain another. He also
 says to me, keep it on hand and recommend it
 wherever you go.
 I have used the Plaster in cases of pains in the
 side, back, shoulders, &c. with like good effect.
 Yours, &c. DANIEL KNEELAND, M.D.

 Messrs. Harris & Co.—Sirs: I have used E.
 Dean's Chemical Plaster for four years past and
 do cheerfully recommend it to physicians and the
 public generally as an invaluable remedy in chron-
 ic and acute rheumatism, sprains of the wrist,
 ankle, shoulder, &c. In fetters, whitlow and
 scrofulous swellings of all descriptions, it is gen-
 erally an effectual remedy. In short, wherever
 there is pain, it is almost sure to give relief in a
 few hours. I have used it in a great number of
 rheumatic affections. One of my patients aged
 40, full habit, had a rheumatic swelling on one
 leg. He had been unable to get out of the house
 for three months; his leg was swelled to an enor-
 mous size, twice its usual bigness; every thing
 had been done without success, until we com-
 menced using Dean's Chemical Plaster. We enveloped
 the knee and a portion of the limb in the
 Plaster, and in three days the swelling entirely
 disappeared, and in ten days he went about his
 ordinary business. Such has been our success
 with the article, and we now willingly recom-
 mend it to the public for a trial.

Hay's Liniment.

NO FICTION.—This extraordinary chemi-
 cal composition, the result of science and the
 invention of a celebrated medical man, the intro-
 duction of which to the public was invested with
 the solemnity of a death bed bequest, has since
 gained a reputation unparalleled, fully sustaining
 the correctness of the famous Dr. Gridley's test
 confession, that "he dared not die without giving
 to posterity the benefit of his knowledge on this
 subject," and he therefore bequeathed to his
 friend and attendant Solomon Hays the secret of
 his discovery.

It is now used in the principal hospitals, and
 the private practice in our country, first and most
 certainly, for the cure of the Piles, and also so
 extensively and effectually as to baffle credulity,
 unless where its effects are witnessed. External-
 ly in the following complaints:
 For Dropsy.—Creating extraordinary absorp-
 tion at once.
 All swellings.—Reducing them in a few hours.
 Rheumatism.—Acute or Chronic, giving quick
 ease.

Sore Throat.—By cancers, ulcers or colds.
 Croup and Whooping Cough.—Externally,
 and over the chest.
 All bruises, sprains and burns, curing in a few
 hours.

Sores and Ulcers.—Whether fresh or long stand-
 ing, and fever sores.
 Its operations upon adults and children in re-
 ducing rheumatic swellings, and loosening coughs
 and tightness of the chest by relaxation of the
 parts, has been surprising beyond description.
 The common remark of those who have used it in
 the Piles, is "It acts like a charm."

For sale by E. Dewey, Apothecary's Hall, and
 S. Sawyer, Dearborn street Chicago.

LOOK OUT FOR IMITATION.
 A base attempt has been made to imitate Hay's

Oldridge's Balm of Columbia.
 THIS article was first introduced into the New
 York market about 20 years since, and from
 its superior virtues in re-producing health when it
 had fallen out, keeping the head free from dandruff
 (a most loathsome article on a gentleman's
 coat collar), and giving a softness and beautiful
 lustre unknown before to the hair, has induced
 some persons to get up and advertise many other
 articles for the same purpose, none of which stand
 the test of trial, professing, as most of them do,
 to be Oils of various kinds, all of which are positively
 injurious to the human hair. Let none be de-
 ceived, no other article will make the hair grow
 rapidly and of a good quality; but the Balm of
 Columbia, and no article purporting to be the
 Balm of Columbia is genuine without the name
 Comstock & Co. on the outside wrapper. Some
 have been deceived and obtained a counterfeit ar-
 ticle for the true and genuine Balm of Columbia.
 Remember to look for the name of Comstock &
 Co. on the wrapper, before you purchase, and get
 none but the genuine. Don't be deceived with
 the assurance that any without the name of Com-
 stock & Co. is made in the same way and is just
 as good as such pretensions are false and known
 to be so by the counterfeiter.

 THE only true and genuine receipt, and so de-
 clared by the oath of Mr. Solomon Hays, has
 never been made known to any person or persons
 except to Messrs. Comstock & Co., and they only
 have the right to prepare the said genuine Liniment,
 which has established a reputation for efficacy
 curing the Piles in every case, and in all the
 various stages of the complaint; also, Rheumatism,
 Sore Throat, Sprains, Bruises, Sores and Ulcers
 of long standing. All who have ever used it are
 highly pleased with its beneficial effects, and
 all who are in need of cures for any of the
 complaints mentioned, are respectfully requested
 to ask any one who ever used it. And we refer
 with confidence to all who know of the article,
 and especially to Matthew J. Myers, Esq., Athens,

 plication and knowledge of its positive and never-
 failing cures.

 Some swindlers have counterfeited this article,
 and put it up with various devices. Do not be

 Do not forget it. Take its direction with
 you, and test by that or never buy, for it is im-
 possible for any other to be true or genuine.

 Please read the following letter J.

Darlington, Beaver County, Pa. ?
 February, 1839. }
 Dear Sir—I feel it due to you as the inventor
 of the medicine and to the public, who may be
 greatly benefited by it, to state a cure that was
 performed in my family, by the use of your "Car-
 minative Balsam."

My little son, when about two months old, was
 seized with a *croup*, caused, as I suppose,
 by a change of diet. It continued for two
 weeks without intermission, and notwithstanding
 the remedies prescribed by a respectable physician,
 we gave up the child a victim, as we supposed,
 to a fatal disease, but I providentially heard of
 "Jayne's Carminative," as an effectual cure for
 bowel complaint, and immediately despatched a
 messenger to a town seventeen miles off for a bottle.

By the use of this medicine, in less than
 thirty six hours the disease was checked; and by
 its continued use for a few days the child was
 restored to perfect health. Shortly after this,
 there occurred a similar case in one of the fami-
 lies of my congregation; I prescribed "Jayne's
 Carminative," and the result was a speedy cure.
 From a knowledge of the efficacy of your medi-
 cine in bowel complaints, a disease to which
 children are constantly liable, I have obtained and
 keep constantly in the house, a quantity of the
 "Carminative."

The same child, owing to exposure, when re-
 cently coming up the Ohio, was attacked by the
 horrible malady, CROUP. We landed in the
 night at Beaver Point, and when our fears were
 alarmed, lest the horse should cough, we were
 forerunner of death, we gave him a teaspoon full
 of the "Expectorant," (a bottle of which you pre-
 sented me with when in Philadelphia) and applied
 some liniment to the throat and breast, and be-
 fore many minutes the hoarseness was gone, the
 child breathed freely and slept sweetly. Owing
 to these circumstances it cannot be wondered at
 why I have so high an opinion of Dr. Jayne's
 medicine, and why I advise every family to keep
 it on hand ready for any emergency.

Respectfully yours,
 ARTHUR B. BRADFORD,
 Pastor of the Presbyterian Church, Darlington,
 Pa.
 Dr. D. JAYNE.

Lambertville, N. J., April 27th, 1839.
 Dr. JAYNE—Dear Sir—By the blessing of God your
 INDIAN EXPECTORANT has effected a
 cure in me of a most distressing complaint. In
 December last, I was seized with great severity
 by a Paroxysm of Asthma; a disease with which
 I had been afflicted for many years past. It was
 attended with a hoarseness and soreness of the
 lungs and throat, together with a laborious cough,
 and complete prostration of strength, and when
 almost worn out with suffocation, a bottle of your
 Expectorant was sent to my house. At first I
 thought it was nothing but quackery, but seeing it
 so highly recommended by Dr. Going, with whom
 I was well acquainted, I was induced to try it,
 and in a few days it completely cured me, nor
 have I ever had any return of the disease since.
 I have now formed so high an opinion of your
 medicine, that if I had but a few bottles of it, and
 could obtain no more, I would not part with them
 for ten dollars each.

Yours, most respectfully,
 JOHN SEGER.
 Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.
 To my friend and friend—I would say, that I
 am well acquainted with David Jayne, M. D.,
 and know him to be a respectable Physician and
 Druggist of this city—a gentleman in whom en-
 tire confidence may be placed. I have tested in
 my own case the beneficial effects of his CAR-
 MINATIVE BALSAM, and have greater confi-
 dence in it than all the other medicines of the kind.
 His EXPECTORANT is equally celebrated and
 efficacious.

IRA M. ALLEN,
 Agent of the Baptist General Tract Society.

Western Anti-Bilious Pills.

THESE Pills are offered to the public as a
 Cathartic, adapted more particularly to
 the place of Calomel which is so extensively and
 injuriously used; especially when administered by
 unskilful hands, as it too frequently is, in new
 and thinly settled countries.

As this physic is quite as efficient in throwing
 off a bilious attack, being at the same time per-
 fectly safe, and altogether more proper, as a pre-
 paratory medicine, in the treatment of BIL-
 IOUS FEVER, FEVER AND AGUE, and
 all the variety of intermittents, incident to a bil-
 ious or ague country, it will certainly be found
 preferable to all mercurial preparations; at the
 same time their operation is so mild that they
 may be used with perfect safety and great advan-
 tage, as a FAMILY PHYSIC.

They will also be found useful in all BILIOUS
 COMPLAINTS, Jaundice, Liver Complaint,
 Sick-Headache, Ague Cuts, Cuts, Contusions,
 Loss of appetite, and in all cases of Torpor of the
 Bowels.

**DR. SPOHN'S
 Sick Headache Remedy**
 NEVER fails to give relief in 15 or 20 minutes
 after taking the first dose, and perseverance
 according to the directions soon effectually re-
 moves all pain from the head and sickness from
 the stomach, and the person feels perfectly
 cured. When the first symptoms of an attack of
 sick headache are felt, the remedy should be re-
 sorted to immediately and one or two doses is
 then sufficient to remove every vestige of the
 complaint. It gives universal satisfaction to all
 who try it; Sick and Nervous Headaches are
 only complications of the same disease, and both
 are effectually cured by this article without change
 of diet or occupation.

Judge Patterson.
 Read the following from Judge Patterson, for
 thirty years the first Judge of the County in
 which he lives.

MIDLETON, N. J., March 12, 1840.
 MESSRS. COMESTOCK & Co.
 Gentlemen—You are at liberty to make such
 use of the following certificate as you deem fit
 to best serve the purposes for which it is intended:

(Certificate of Judge Patterson.)
 I HEREBY CERTIFY, that my daughter has been
 afflicted with the sick headache for the space of
 about 20 years—the attacks occurring once in
 about two weeks, frequently lasting 24 hours,
 during which time the paroxysms have been so
 severe, as apparently soon to deprive her of life.
 And after having tried almost all other remedies
 in vain, I have been induced as a last resort to
 try Spohn's Headache Remedy, as sold by you;
 and to the great disappointment and joy of her-
 self and all her friends, found very material relief
 from the first dose of the medicine. She has fol-
 lowed up the directions with the article, and in
 every case when an attack was threatened, has
 found immediate relief, until she is now perma-
 nently cured. The attacks are now very seldom,
 and disappear almost immediately after taking
 the quantity directed. A hope that others may
